

RoomWalk calibration target

US Letter | Print at 100% / Actual size | Disable Fit to page

Mount flat on a rigid surface. Keep all 36 tags visible during the motion recording.

6 x 6 AprilTag 36h11 | Two-cell black border | IDs 0-5 in the bottom row

Each outer black tag edge: 25.4 mm | White gap: 7.62 mm | Grid width: 190.5 mm

This line must measure 100 mm after printing.

Measure the line and several tag edges with a ruler. Report any scale difference before calibration.
